

2026 Plumb Perfect Calendar of Events

March – School invitations go out, CTE instructors can sign up their classes and teams until May 30 for the next school year.

May – Mentor invites go out, Plumbing Professionals are encouraged to sign up as mentors for a team or CTE class, multiple teams.

August 2nd or 3rd week - Mentors are sent their teams contact information and mentor packets. This is a great time to hold a Zoom meeting with your Mentors to answer any questions.

Schools are provided with their mentor contact. Initial contact should be made during the 4th week of August to identify the meeting day and time for each week and each team, and a virtual meeting link should be provided by the school to the mentor.

September 1st week – Schools are provided the student packets. Classes and mentors should have made arrangements for the meeting time and day of the week; virtual meeting links should be provided.

September the day after Labor Day – Let the Competition Begin!!! Plumb Perfect for that school year kicks off.

October 6 weeks of competition – The final day of competition!

October the following Monday– Winners are announced and the party begins!!
